

# KATHLEEN M. FLANAGAN, PH.D.

---

641 Massey Road, Springfield, VT 05156  
(617) 697-5377 / [KathleenFlanagan19@gmail.com](mailto:KathleenFlanagan19@gmail.com)

## Career Profile

---

### Training & Evaluation ■ Research ■ Classroom Assessment ■ Pre-K-12 Education

Life-long educator, researcher, and assessment expert. Committed facilitator who is dedicated to collaboration, diversity, inclusion, respect and direct and open communication. Extensive experience with leading, managing, and conducting assessment, psychometric, and research. Ability to utilize keen analysis, insight and a team-centric approach to generate accurate and insightful assessment results, as well as to improve data and reporting practices. Produced over a dozen published reports and presented findings to clients, funders, education organizations, and the public.

#### ***Additional Areas of Expertise:***

- **Research Coordinator:** Directed research studies, managing all aspects of the project from grant inception and award to carrying out planned analyses and reporting. Adept at developing and using experimental, quasi-experimental, quantitative, qualitative, and mixed-methods methodologies.
- **Psychometric Coordinator:** Demonstrated skill in evaluating test results and maintaining testing scales. Contributed to and reviewed many technical reports for large-scale assessments. Served on several psychometric and research teams on large-scale assessment meetings including on MCAS and WIDA.
- **Classroom Assessment:** Developed online course modules that teach educators how to develop effective classroom assessment practices. Trained hundreds of educators to conduct classroom assessments.
- **Education and Training:** Taught in inclusive kindergarten through grade four settings for over 10 years, and as an adjunct professor in education for over 20 years.

#### ***Core Competencies:***

- Professional Development ■ Testing and Design ■ Technical Reports ■ Funding Proposals ■ Analysis & Reporting ■ Leadership & Mentoring ■ Research ■ Vendor Management ■ Team Building & Mentoring
- Analytical & Pragmatic Thinker ■ Advocacy ■ Grants Management (federal, state, private) ■ Extensive experience using SPSS / R / Tableau / ATLAS.TI / JMETRIC

## Professional Experience

---

Charting Your Own Course, LLC (Launched in 2024)

#### **Founder**

- Conceptualize and develop protocols and course materials to facilitate online professional development experiences with K-12 teachers and administrators, focusing on effective classroom assessment and data management and reporting.
